***Please Note !!*** I am very accessible via email. The first thing I do when I arrive at office hours is check email (*unless a student is waiting*). I also generally check it numerous times each day wherever I am so feel free to email me at any time. I will respond.

***If you do not receive an email response*** within 24 hours something has gone wrong. You should resend your email and ***be sure your class is shown in the subject line*** or you may be filtered out (example --> ACCT380).
